S i r,

In submitting herewith an application by the devotees of the Sri Panthevaru temple in the southern extension of the Tumkur town, praying for sanction of an increased grant of Rs.5/- for daily worship &c., in the temple, I have the honour to state that the monthly grant of Rs.1-4-0 sanctioned in Government Order No.2078-80/M.F. 152-10-4 dated 17th February 1911 is too small an amount to meet the requirements of the temple. The institution is growing in popularity and commands a large number of devotees in the town.

2 I request that as prayed for by the applicants, sanction of Government may be accorded to the increase of monthly grant to the temple from Rs.1-4-0 to Rs.5-0-0. As regards the source from which the additional grant is to be met, I beg to state that the temple of Sri Anjanaswami at Gargadakuppe in the Tumkur Taluk has got an income of Rs.827/- per annum, while the annual expenditure of this temple comes to only Rs.454/- (vide this office letter, No.Muz.C.63 dated 16th April 1918). A large amount being thus expected under savings in the income of the inam lands belonging to this temple the management of which has been recently ordered to be taken in the hands of Government, I request that from the funds of this institution, the additional grant of Rs.45/- per annum required for the Sri

The Extension ^{was} formed about 20 years ago, and since then

a number of houses large and small have been built and people
are living in them.

The want of a temple was very much felt about 15 years ago
and it was built at a cost of more than R . 2000/- and Sri
Paramadevaru with Lakshmana, Sita, and Anjaneya were consecrated
there-in. A grant was applied for from the Wujarai Depart-
ment for daily worship and also special worship on festive
and other occasions. We were in full hopes that this newly
established temple would receive the same consideration as
the newly established temples at Malloswaram and Channareja
pet at Bangalore, but unfortunately for us, a small grant of
R . 1-4-0 per month was sanctioned. This amount is badly
insufficient even for the conduct of weekly worship. The
institution is maintained purely by public subscriptions.
A large number of people resort to the temple and take special
interest in attending the worship. The monthly cost for

H. Schindler & Co.
Heraudach

maintaining the temple for daily worship^{has} alone comes to about Rs. 10/- irrespective of the extra expenditure incurred during festive occasions.

The Ootsavam performed on the Vijayadasami day alone cost more than Rs. 10/-.

The institution is growing in popularity. The precarious nature of the income cannot be depended upon any long. Already the public subscription is going down very low so much so that it will be found difficult to carry on the daily worship.

We beg that you ^{will} kindly take the above circumstances into consideration and recommend for an increased grant of about at least Rs. 5/- per month. After meeting all expenditure connected with the institution we ^{have} got in hand about Rs. 1400/- at the credit of the institution deposited in the Cooper^{ative} Society and the Federal Union. The balance required and the cost of the extra expenditure will be met from the interest accruing from the said amount.
